

IRB Checklist Form A Education Students

This check list was been developed to provide assistance to education majors in processing their forms for IRB Review. This checklist is for form A ONLY.

- One copy of the completed Form A Signed by Advisor

- Signed permission from a district official (if study is to be done within the confines of a district or several districts). In some districts this means the principal, in some it will be a central office administrator. You need to check on the policy district(s) have regarding research projects.

- Adult Consent Form – sample of what you will give them

- Form RO – Research Outline

- Copy of interview questions and/or survey that you use in your data collection
