

Checklist for Academic & Residential Technology

This checklist is to help you prepare for the fall semester. Listed are technologies that you will need for academic and residential life on campus. If you are a fully remote and online student please visit <https://echo.lemoyne.edu/Ready-to-Learn-Online> for more information.

Academic Technology:

Review the **Orientation to Academic Technologies** course on Canvas (<https://canvas.lemoyne.edu>) to explore and practice using the most essential technologies that are used as part of the Le Moyne classroom experience before you arrive to campus.

Laptop

Follow these recommended specifications for a personal computer.

- 7th Generation Core i5 processor
- 8GB of RAM
- 256GB Solid State Drive (SSD)
- 1920 x 1080 (Full HD) Display
- Currently Supported Windows or Mac Operating System
- Active and Current Security Software

Webcam

Recommended Webcam specifications:

- Max Resolution: 720p/30fps
- Focus type: fixed focus
- Lens technology: standard
- Built-in mic: mono
- FoV: 60°
- Universal clip fits laptops or monitors if webcam is not part of computer set up.

Headphones with a microphone

If you need to use a Le Moyne computer, we support 3.5mm headphone jacks.

If circumstances do not allow you to obtain the devices listed under Academic Technology, Campus Life may be able to help. Contact Campus life at campuslife@lemoyne.edu or visit <https://www.lemoyne.edu/COVID-19/Jesuit-Fund> to learn more.

Residential Technology:

- ❑ Register a Computer, SmartTV (with Ethernet port) & Game System (with Ethernet port)

To register your device and use a wired ethernet connection on campus, visit deskreg.lemoyne.edu and register the device's physical/wired MAC address. An ethernet cable will need to be used for ethernet connection.

- ❑ Register a Personal Device (Game System, Smart TV, etc.) on the Wireless Dolphin-IOT Network

To register your device on the wireless Dolphin-IOT network, visit the page linked [here](#) for instructions on how to do so. If you have any questions about connecting your device, please reach out to the IT Service Desk.

- ❑ NO Personal Printers

Le Moyne provides public printers in most residence halls and all academic buildings. If you have a printer, you must directly connect it to your computer. Personal wireless printers are not supported or permitted on Le Moyne's wireless network.

- ❑ NO Wireless Routers

Do NOT bring a personal wireless router. These devices interfere with the campus wireless network and will be disabled by IT. They are in violation of the campus information security policies.

Contact the IT Service Desk:

If you have any questions, please contact the IT Service Desk at <https://servicedesk.lemoyne.edu>, email servicedesk@lemoyne.edu, or call 315-445-4579.
